Subject: Congressional calls completed

I had to leave voice messages for staff from the offices of Senator Tester and Senator Daines. I was able to speak with John Fuller, Northwest Field Director for Congressman Zinke and he was pleased to get the call. He has requested a copy of the letter and press release. Jim or Sarah, can you please send me a copy of the final letter?

I will also send a copy of the letter and release to MDEQ and to the Libby contact at HQ (Melanie Keller). I believe we are on track to send the press release to media at 4 pm today and my plan is to email it to the local site contacts – the three local newspapers and radio station. Andrew, please let me know if you concur.

Thanks,

Jennifer
